

Karen,

We survived Algebra and Communications!  
Hallelujah! I know we'll do just as good  
next year! I also know that

I'm being un-original  
when I say I have  
a great summer,  
but I'll say it any  
ways. Have a great  
summer and I'll  
see you  
next year,  
Love, Wendy  
Steele

Karen,

I still don't know why you  
didn't try out for softball but you  
still my friend have a nice summer  
and have fun in the years to come.

Love Rose Berenett

Karen,

We have been friends  
for a long time, and I hope  
we stay that way. It been  
a fun year. And Karen you  
are a very super  
person and I hope  
you don't change.  
I hope you have  
a great summer  
and I hope you  
find everything that  
you are looking for  
in life. Good luck  
See you next year

Debbie  
Hernandez

Karen,  
It has been  
nice knowing  
you and I hope  
you have a  
good summer.  
Also hope to  
see you next  
year.  
Vicki  
Brown

Karen,  
 Even though we only had 10. was together it still was fun having you in that class. I hope you see you have a great summer and see you in the fall.

Karen,  
 We made it through another year with all one credit, but anyway I probably say this every time I sign your yearbook so I'll say a special friend and a special friend. No classes together this year, but I'm crossing my fingers for next year. Don't ever change.  
 Karen,  
 A great summer & good luck always.  
 Love,  
 Albany

Karen, I enjoyed your classes a lot. I really enjoyed you. We were fun together. Call me at 47-6403.

Hey, Cell-310  
 you still in the class? I'll be there with you - but to class about 10:00. I'll be there with you - but to class about 10:00. I'll be there with you - but to class about 10:00.

Love,  
 Albany

Karen,  
 We've been friends for a long time and I hope you don't forget about us. I hope you don't forget about us. I hope you don't forget about us.

Karen,  
I've known  
you a long time and  
you've been a good  
friend. Have a fun summer  
love,  
Cindy K.

Karen,  
Hi! You are my  
best friend. I Hope  
you stay that way  
for a long time.  
Have a Great, Super +  
Fun summer. I wish  
you luck next year  
and the years that  
follow—  
your friend.

Also Karen. You had better watch out what you say to me. Don't give me any orders, or any back talk. Remember, I'm your equal! Don't you dare forget! Okay?

Hope you are always  
as sweet as you  
are now!

See ya, next  
Love,  
Janet

P.S. Don't Get mixed  
up with any "unworthy"  
Guys. Keep ~~the~~ only the  
best! Love  
Janet

Dear Karen  
Even though I've  
only known you for a  
little while - you're a  
really nice person. It  
seems like you always  
do favours for other  
people!!! You always  
happy! You get me  
anyway - have a nice  
summer!  
I hope to get  
better next year.

Hi, well I only  
know your name  
but I hope to get  
to know you more  
next year. Have fun  
during the summer  
and Good luck next  
year. See you in the  
summer and keep in  
touch.

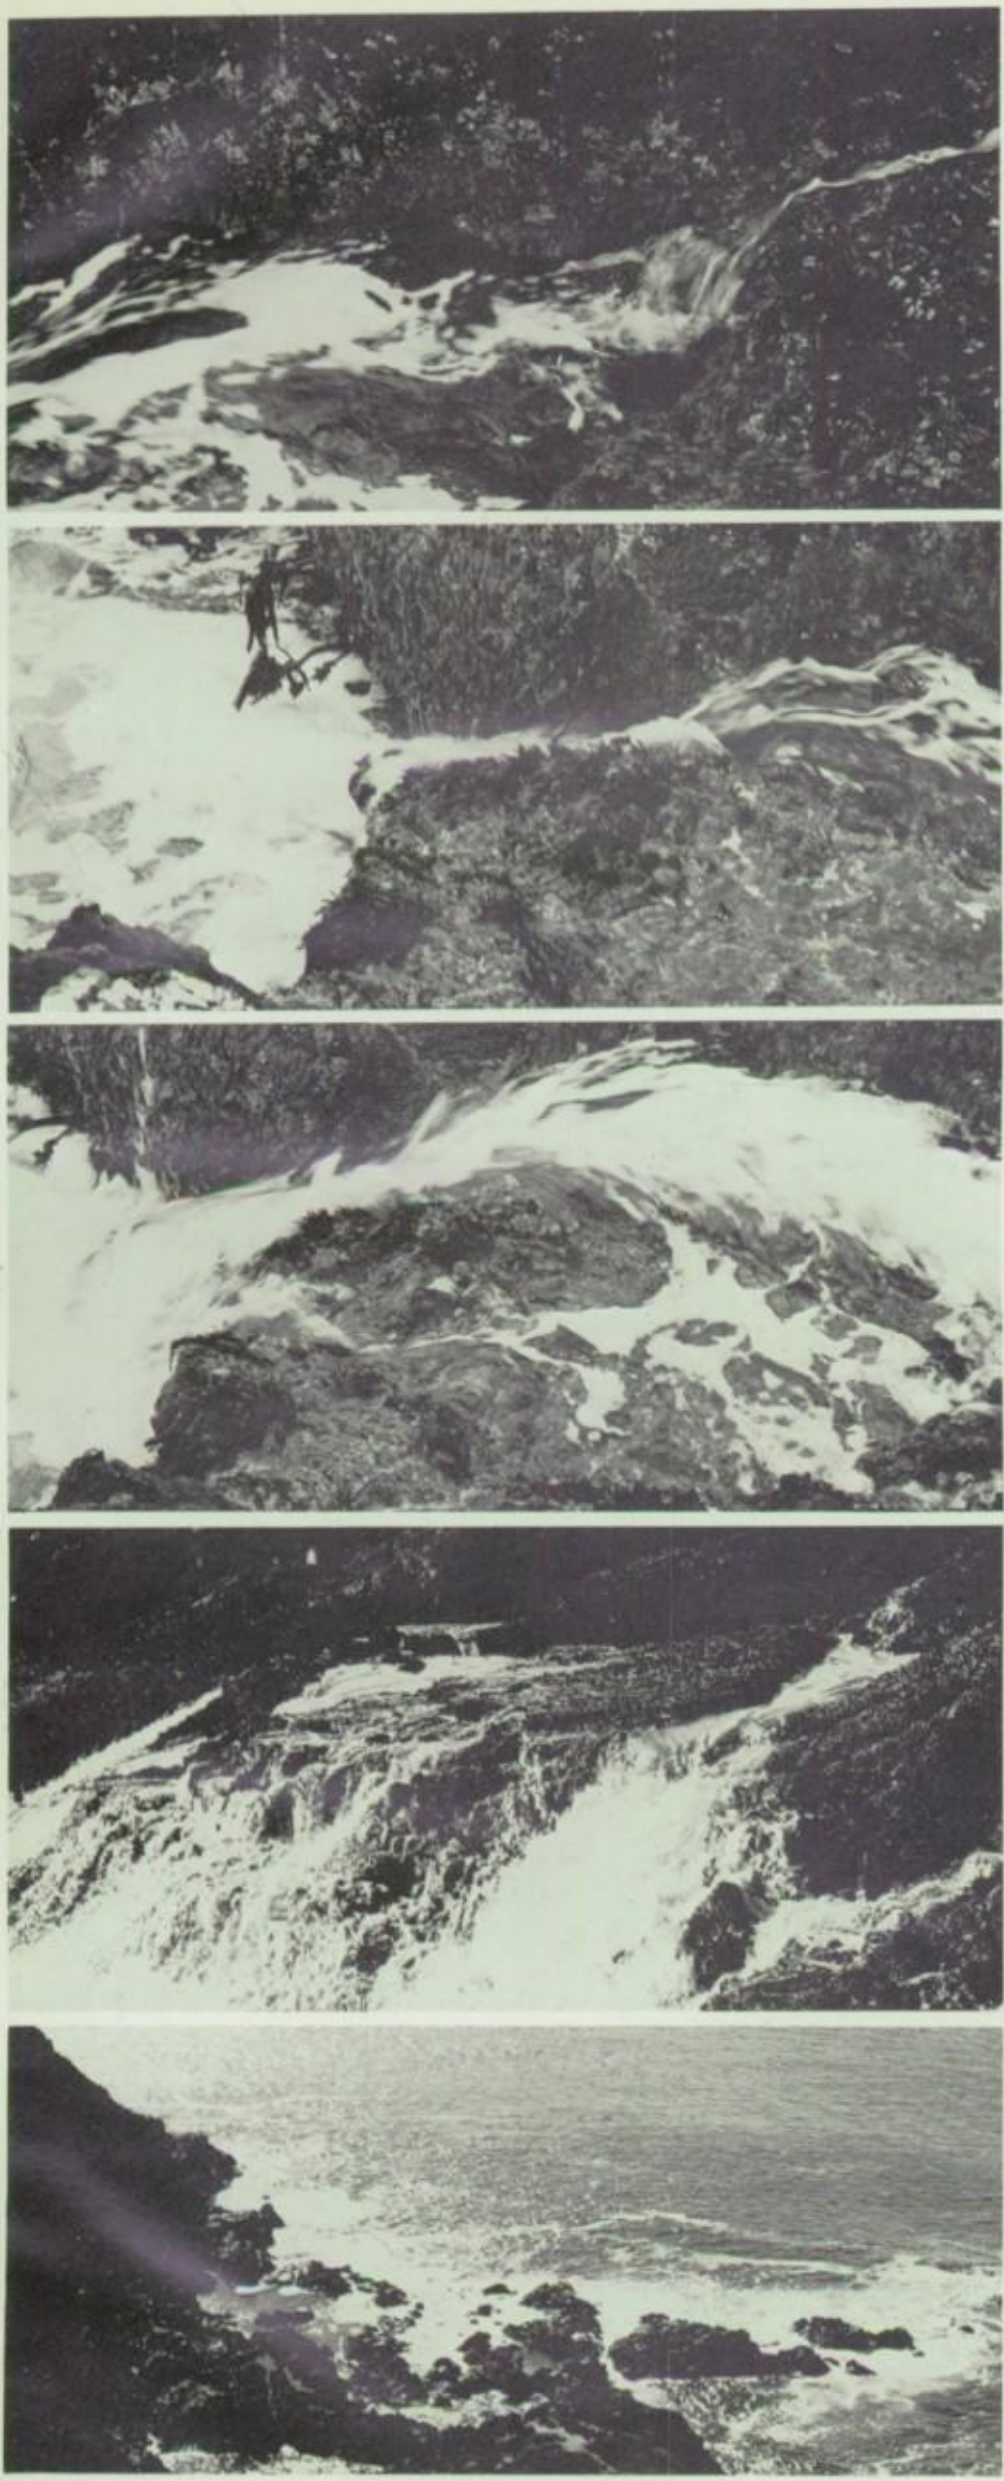

Love  
 Kathy

I love you  
 George  
 Love

love, Weilani Vasil

Karen,  
 It was a good  
 year, and we made  
 it. Have a great  
 summer and I  
 will see you next  
 year! Love,  
 Leilani Vas

Estuary . . . Let us first find the meaning of the word estuary.  
Estuary can be explained in the mighty sea which is fed by the rivers which  
are fed by the smaller streams and creeks.

Karen  
have a fun  
summer  
see  
you next year  
Kelly Varner

We can also think of estuary as the human river of knowledge. As we depend upon our parents, teachers, and friends to assist us in learning, so a river depends upon its streams to strengthen it during its flow to the sea.

you've been  
a pretty  
good friend  
but the only  
thing I write  
I can't say  
that fits you  
is straight.  
Love Gussie

Haven,  
 I think you  
 are a really great  
 person. You have a lot  
 of fun and have a great  
 sense of humor. We didn't  
 have but one class together,  
 but I hope we have more,  
 together next year. You are a  
 good friend. Have a super  
 summer. I hope I have  
 a few classes with you  
 next year. Best wishes

Estuary is an interdependency in education upon oneself and others for material and physical growth.

On October 14, 1977 the four years of planning paid off. Ocean View High School was dedicated with the help of such dignitaries as Mrs. Helen Ditte, who OK'd the building of Ocean View, Dr. Frank Abbott, the superintendent of the H.B.U.H.S.D. and Mr. Dennis Mangers, our assemblyman of the 73rd Assembly District.

The ceremony included the introduction of the school's Alma Mater by Mr. Murphy, and performances by the band directed by Mr. Witten. Speeches were presented by our A.S.B. Pres. Chris Staros, Mrs. Ditte, Dr. Frank Abbott and our principal Mr. Viculin.

During the ceremony Ocean View received many gifts. These included a bouquet of flowers, a painting of a luxurious Seahawk in flight, a California State flag which once flew over the State Capitol, and the school's plaque. This was an occasion that will not soon be forgotten by those Seahawks and guests in attendance.

# SEAHAWK SEAHAWK SEAHAWK YEA

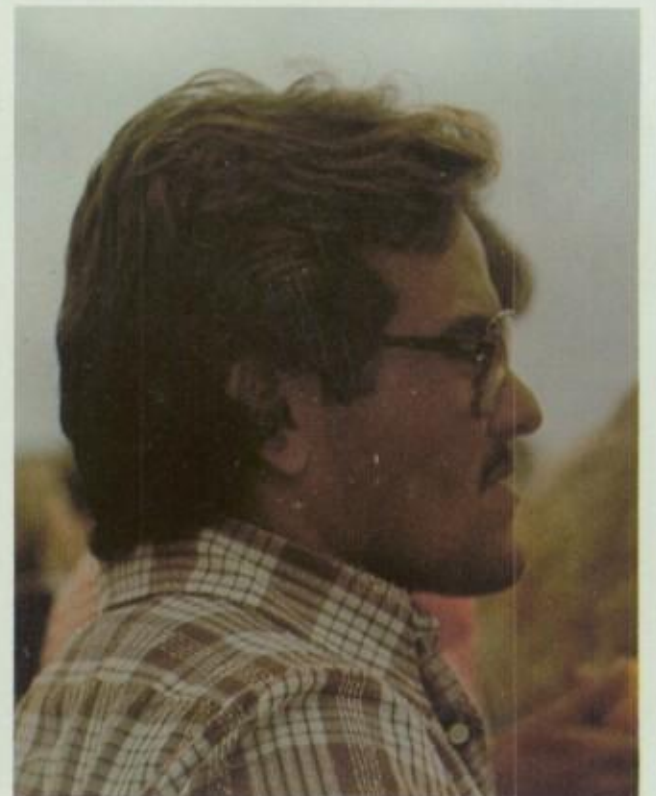

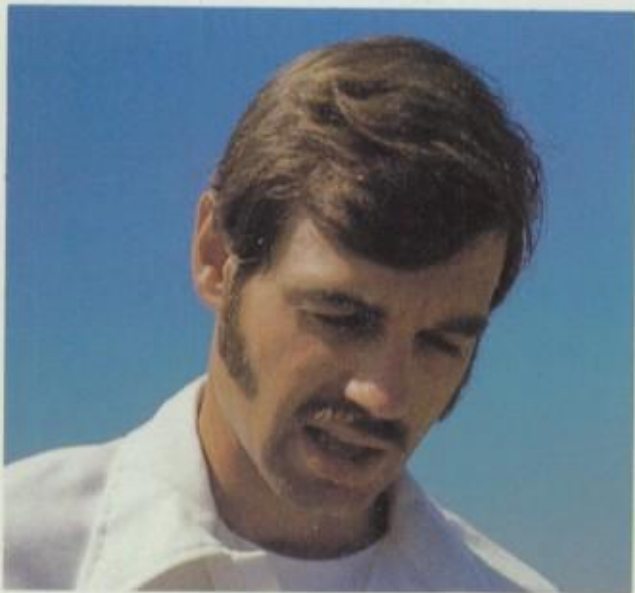

Ocean View had its second annual spirit week September 23-30. During the first two days of this week there was an Almost Anything Goes competition. With nine teams competing they went to their first events on Monday. These events were the flour blow, the ski race, and the three legged race. Then came the events on Tuesday. The obstacle course had team #1 coming in as the winner. Wednesday was "Pajama Day." All the pajama wearers had a big pillow fight in the gym. Then Thursday was 50's day. This

turned out to be one of the best events of the week. Students joined in the car stuff and also the "chug-a-lug." The car stuff was won by the sophomores when they finished with 38 people stuffed into the school station wagon. The freshmen won over the sophomores in the "root beer chug-a-lug."

# SEAHAWK SPIRIT

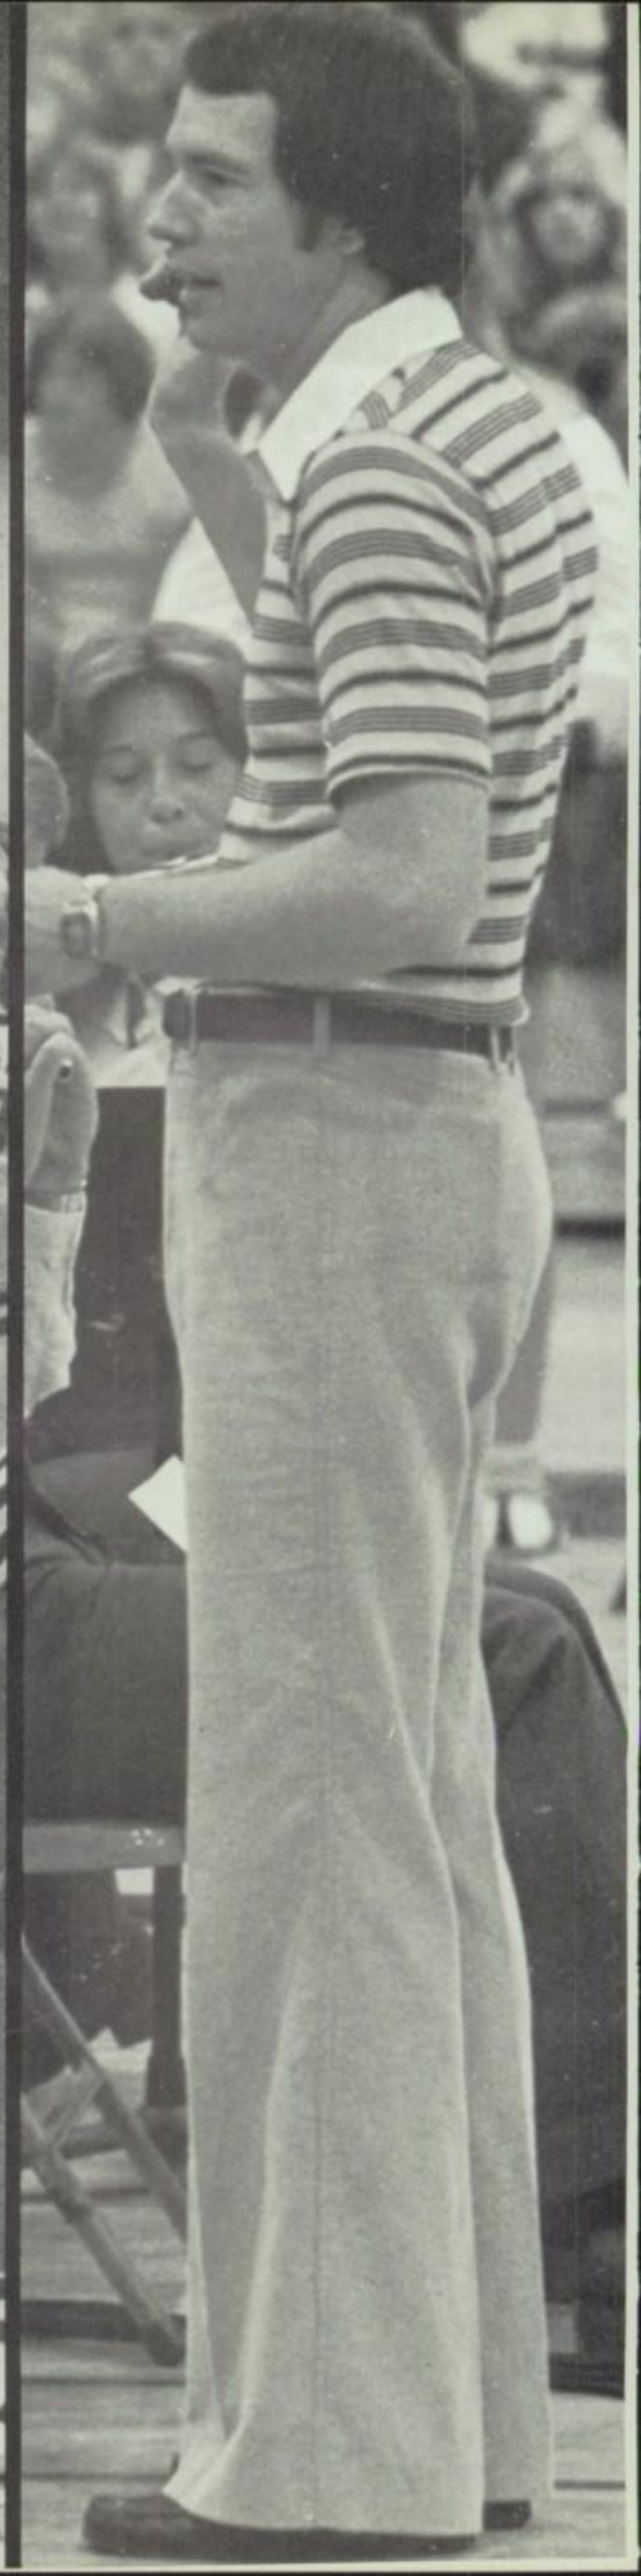

As the big finish to the week there was a pep assembly on Friday. The yell squad started things off with a big yell, getting everyone up. Then the drill team, yell squad and the executive board did performances. After that the Good Luck Fairies (Mr. Stoll, Mr. Nixon, Mr. Hahn and Mr. Landis) came and wished the Seahawks good luck by spreading their fairy dust all over. Spirit Week ended with great success when the Seahawks defeated Bolsa Grande.

At the victory dance that night Cecil Clark was voted King with Rick Copeland, Doug Shumway, Dan Clearwater, Mike Scott and Jack Aguirre as his runners up.

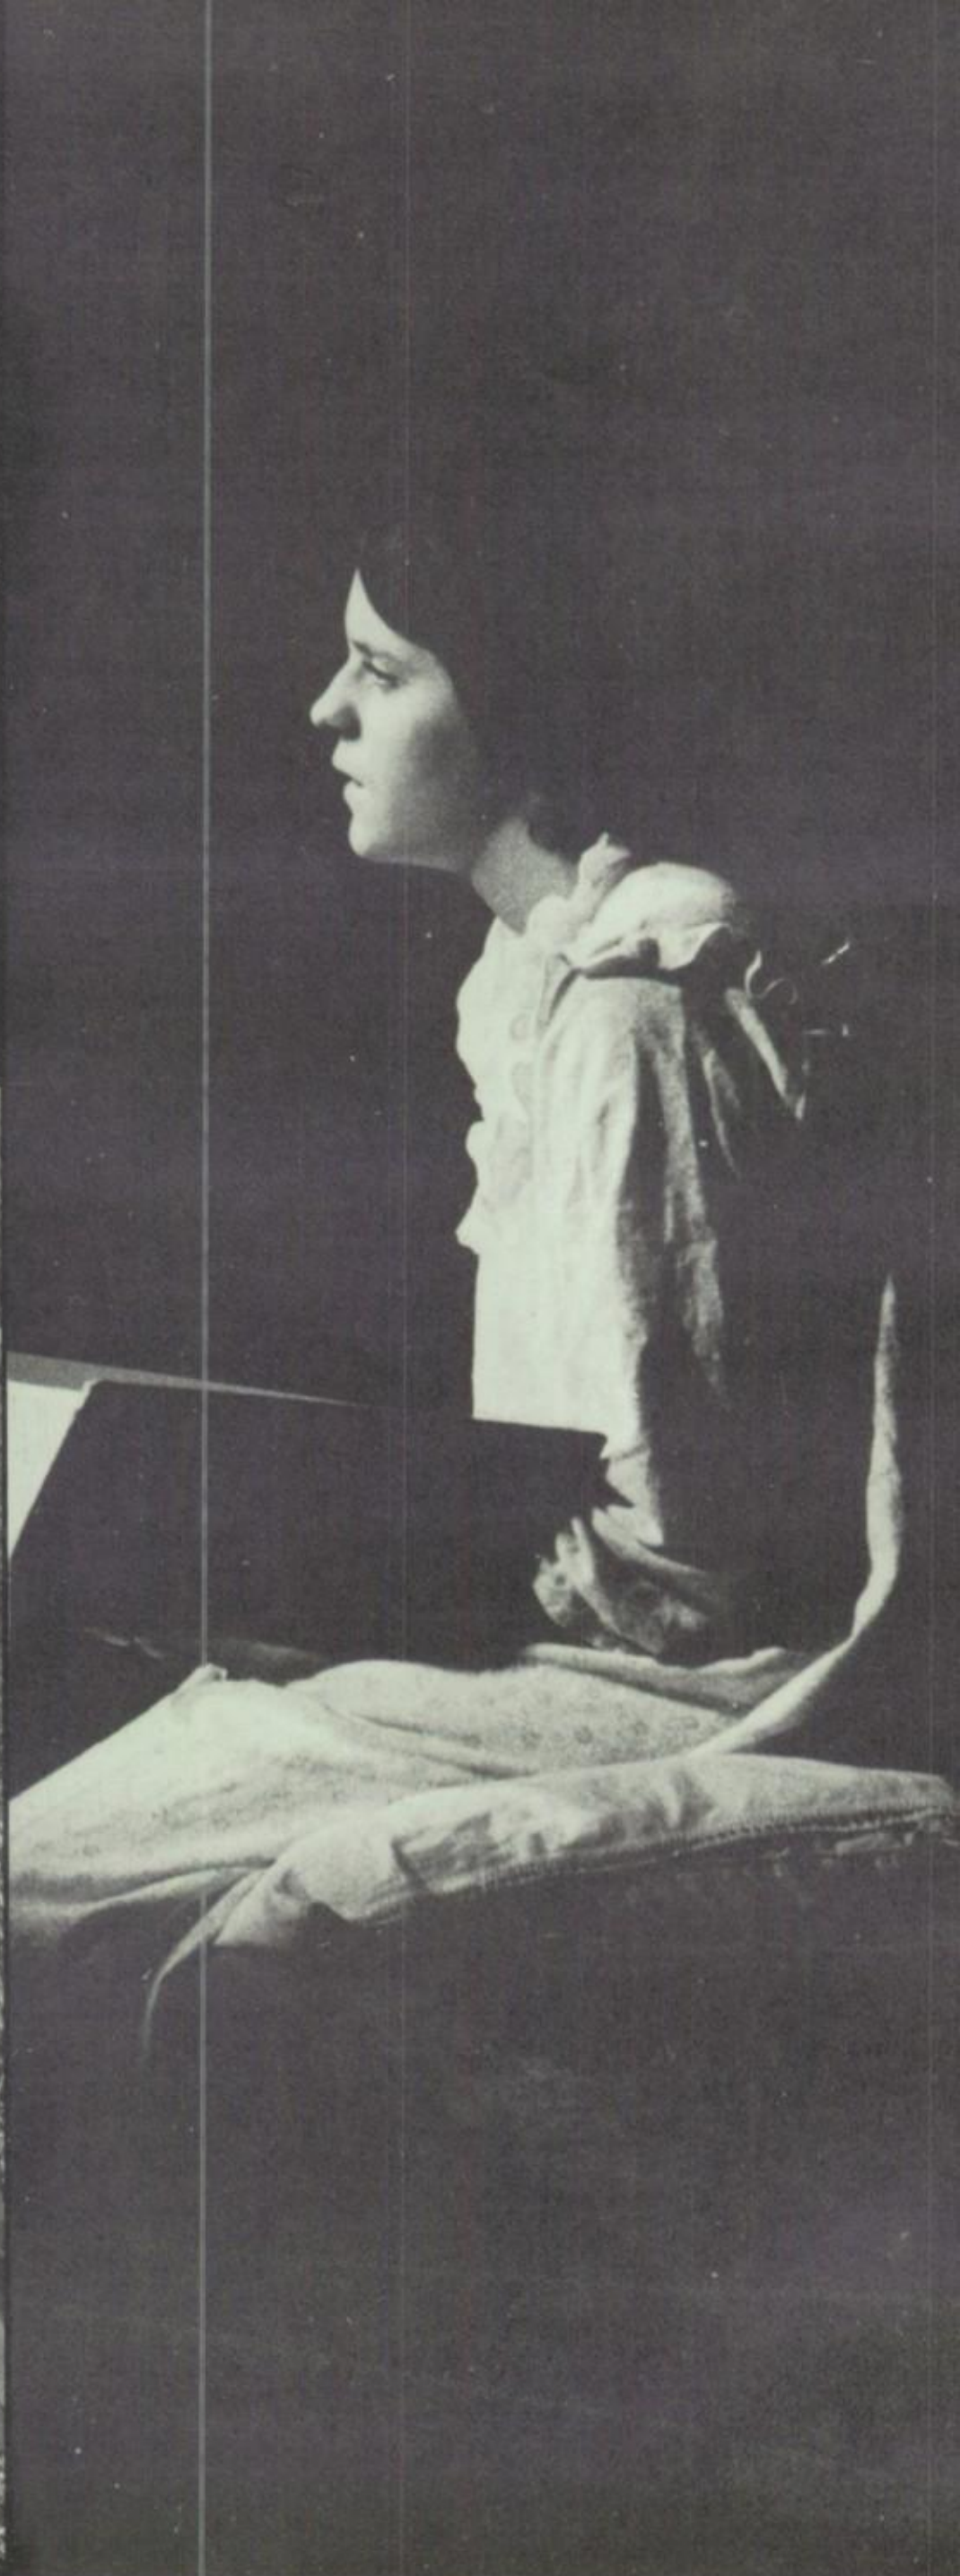

Spirit Week at Ocean View turned out to be very successful. Even though Ocean View is much smaller than the rest of the high schools, we have just as much spirit. Seahawks, Seahawks, Seahawks, Yea!

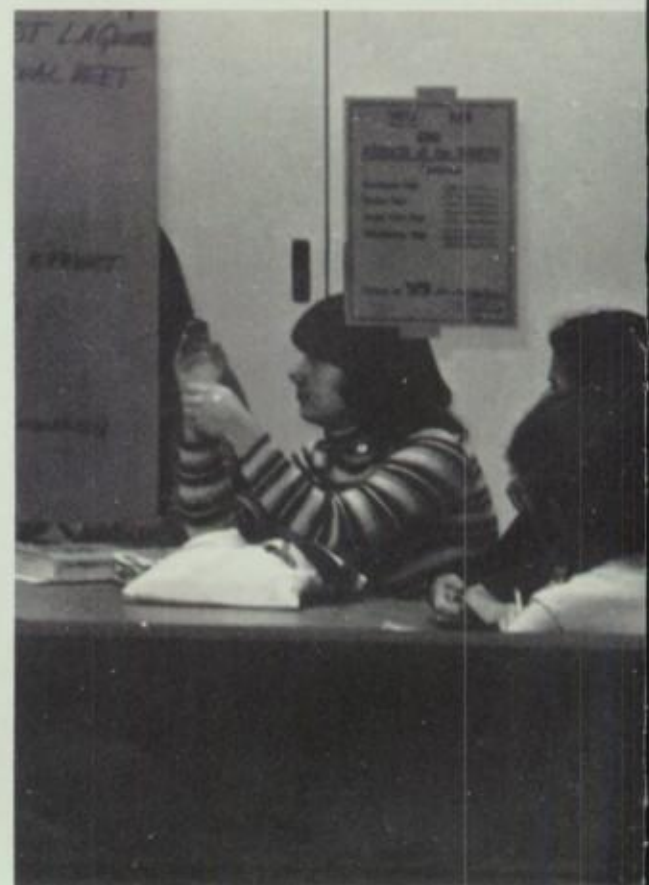

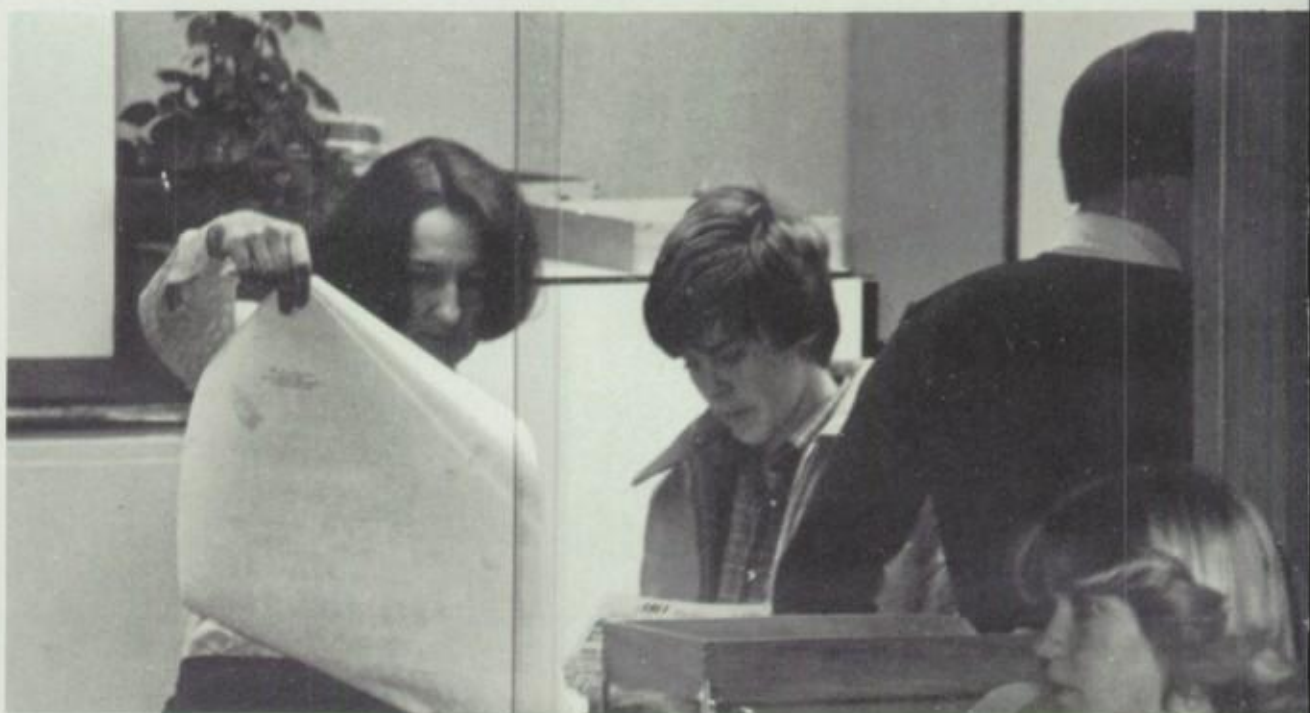

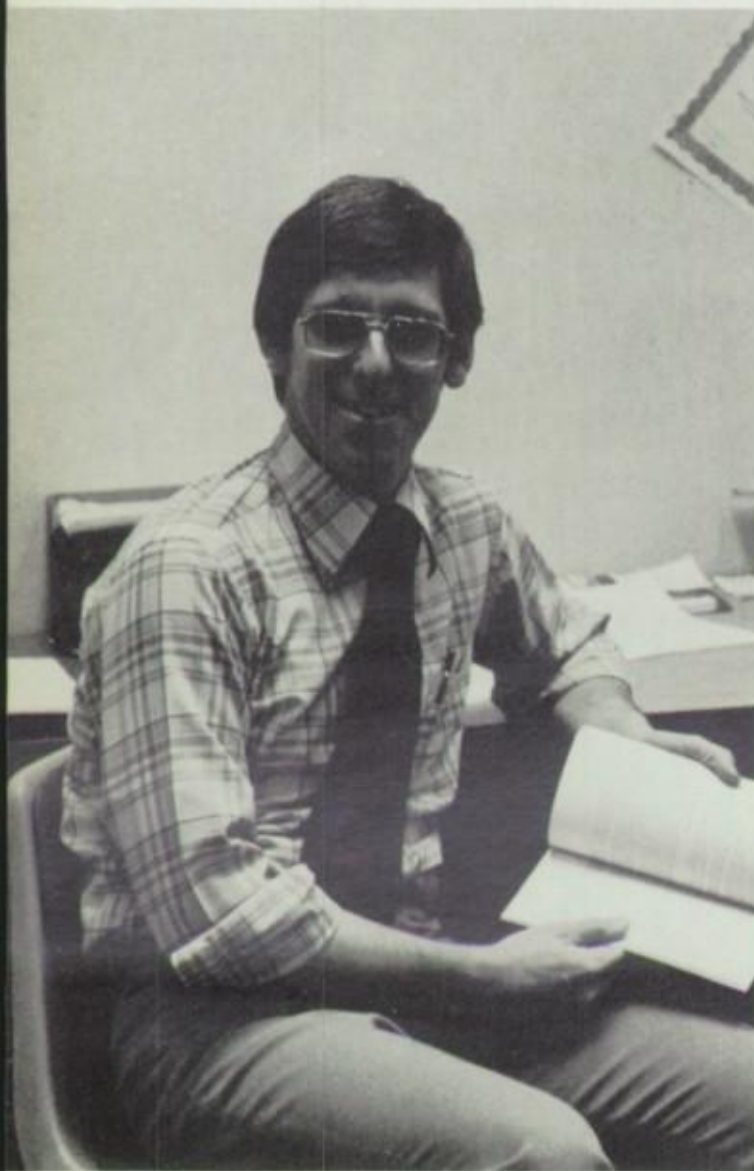

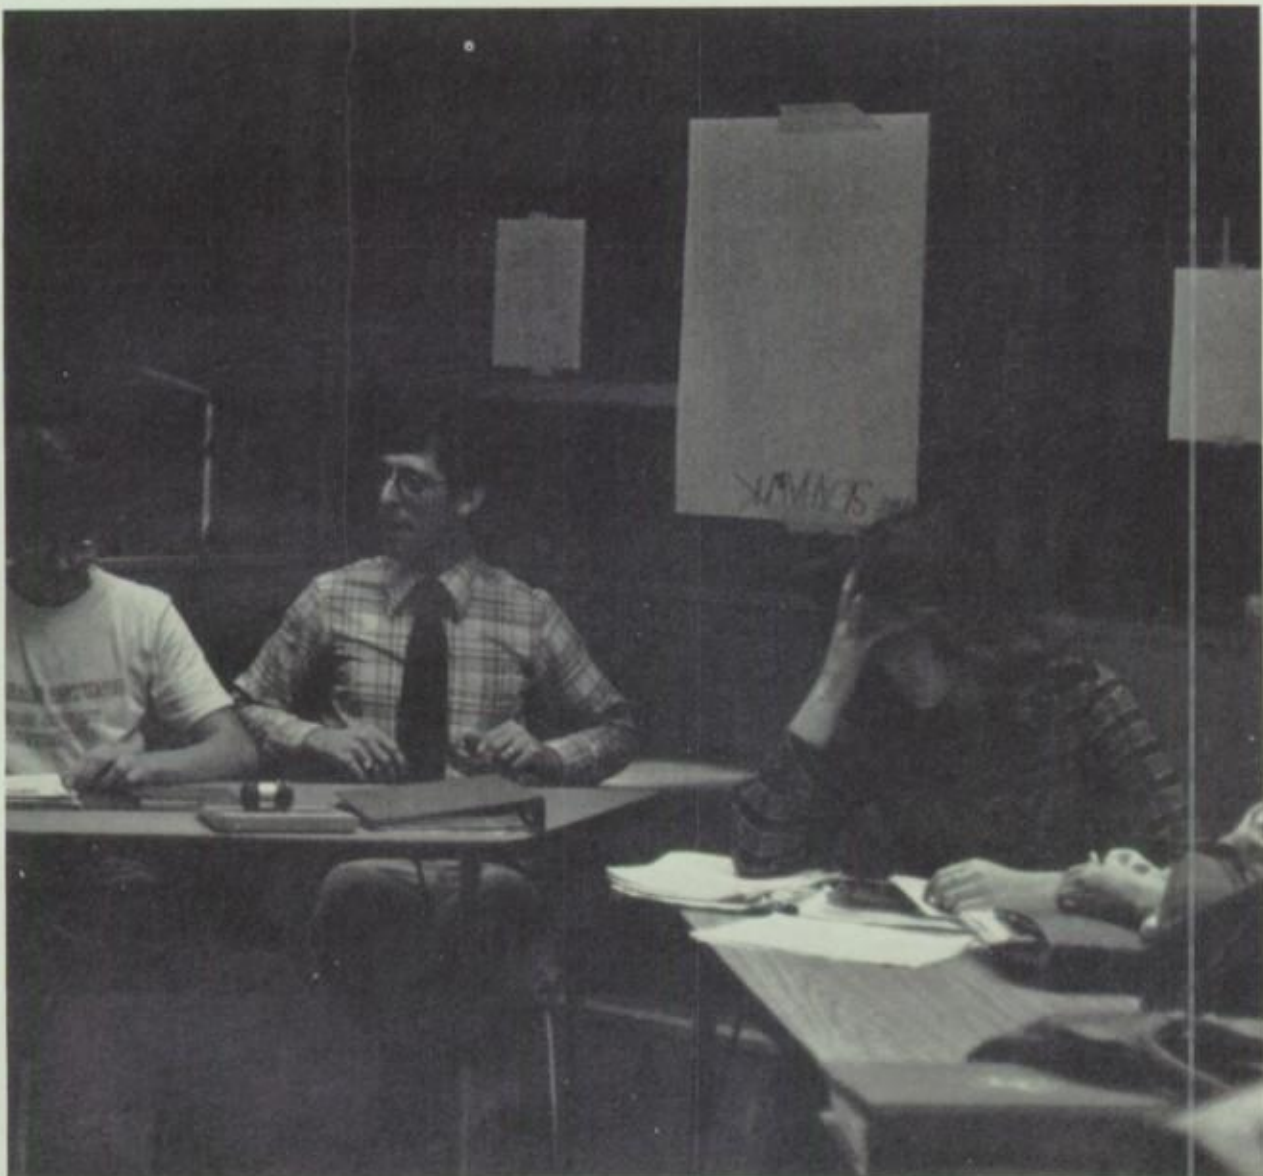

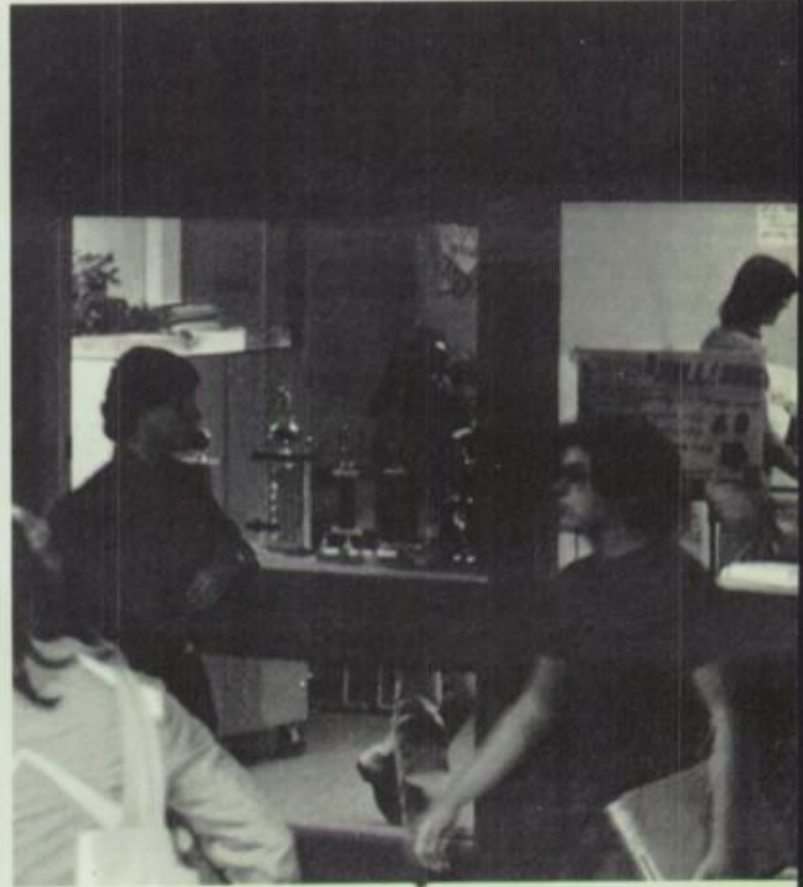

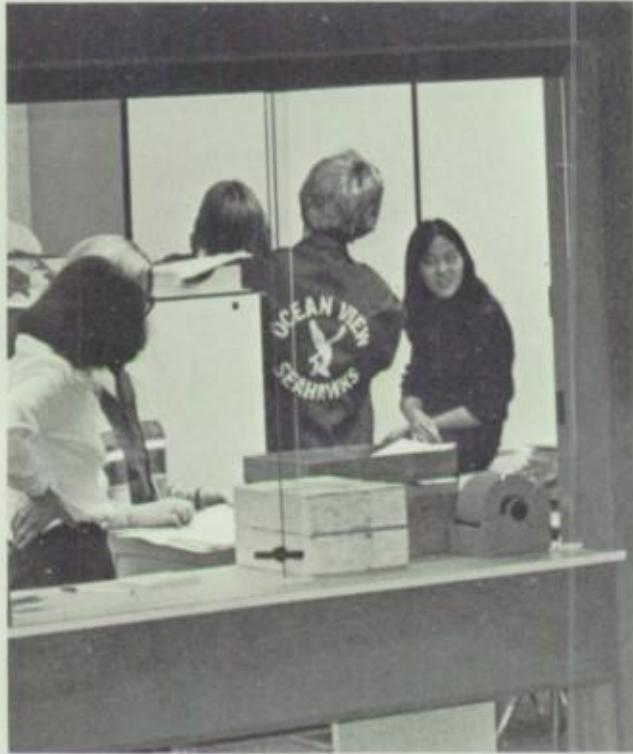

The activities office runs on six elected and eight appointed student representatives. These students meet every day to discuss the school's activities. These students keep track of all the different clubs and sports activities. They are charge of the student body funds and how to spend what they have. The activities office helps the students because that is where they sell the ASB cards, yearbooks and whatever other activities occur. The students can also go there anytime and see when the different clubs and sports are taking place. Mr. Moffet, activities director, and Mrs. Eurs are always ready to lend assistance in any way they can.

# O.V. Activities Office Keeps Busy

# Imagination and Creativity Abound on Halloween Dress-Up Day

The costumes worn on Halloween Dress-Up Day show the unique creativity of the O.V.H.S. Seahawks. Students and teachers alike dressed up in many unusual costumes. Contests were held in the gym at lunch, first between the teachers then the students. The Frosh Comm. Arts teachers won the best award for teachers category. Awards for students were based on originality, most frightening, and most comical costumes.

On March 1, Ocean View's Fighting Faculty tackled two of the Orange County Stars in a volleyball thriller. If the faculty won two out of three games, all of the Ocean View students would have received a pass to

the "Stars" season opener.

The faculty showed much talent and effort though losing two games to one.

*Karen  
I would have liked you  
to have gotten to know these  
people better. But there  
were to many people at  
the beach that week.  
Keep in touch with  
me. You know what  
I mean. Come  
visit me.  
some time

# Fine Arts Theater Opens With Fall Production of "The Little Prince"

Taken from a classic children's story, The Little Prince deals with human relationships and the idea that truth is revealed only through the imagination. Thanks to great performances by Matt Chisholm, Sandy Siqrist, Jeff Lundberg and the rest of the cast, this play had meaning for everyone.

On December 15, 1977 Ocean View's Fine Arts department presented its second annual Winter Concert. Giving good performances were the beginning instruments, directed by Gerald Willis, the intermediate band directed by Harold Witten and the General Chorus and Concert Choir directed by Michael Murphy. With only standing room left, the night's performance was a big success. Earlier that day this performance was presented at an assembly for the student body. The students enjoyed the performance and encouraged the performers for the night ahead.

# Pep Assemblies Inspire Enthusiasm

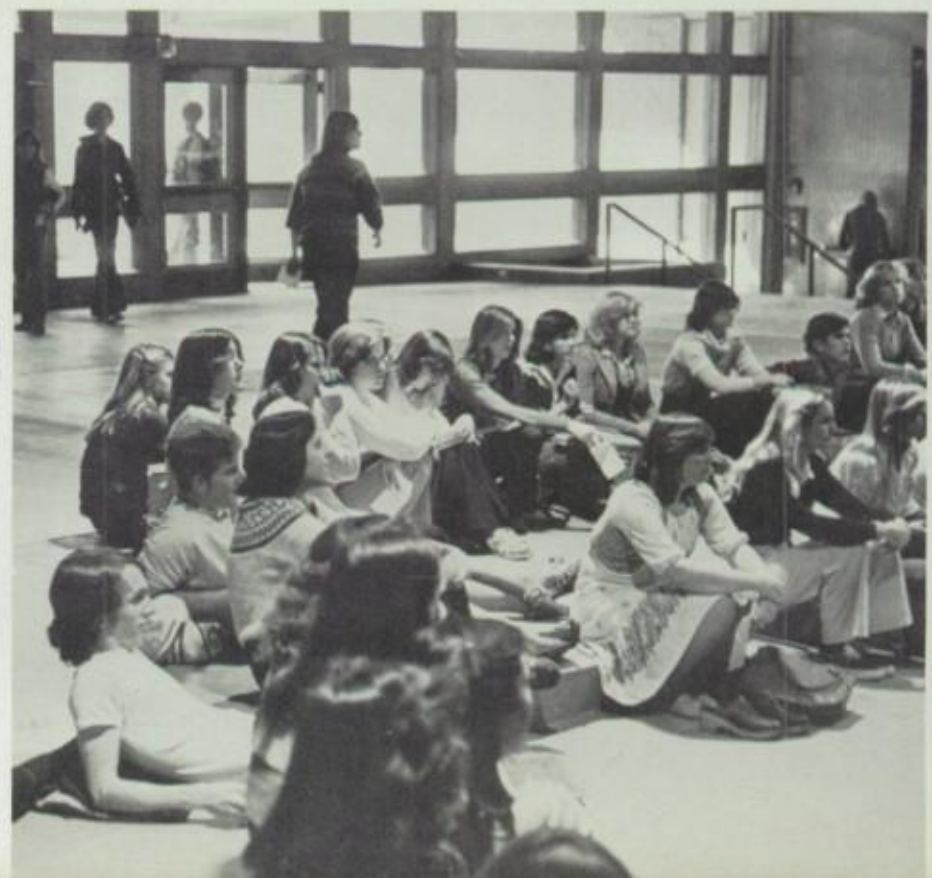

Karen,

one year has gone and I regret that I didn't get to know you well enough.

To me, you seem to be a very nice girl.

Have a fun filled summer. Good luck to you and my best wishes always.

love,  
Lan Chi

The bell rings and there's a big rush to get to lunch. When the doors open a few minutes later the people pile into the gym. Once everyone is seated the pep assembly starts. With the cheerleaders cheering, the drill team performing and the band playing, you can't help but getting excited about the upcoming events. With a great turn out the pep assemblies are always a big success.

On March 16, Ocean View had its second visit by Lou March the hypnotist.

A couple days before this a group of students signed up to be Mr. Marche's subjects for the show. On the morning of the assembly the students who brought their permission slips went into a room and were tested. The ones which responded best were picked to do the show.

After the rest of the students and staff had come into the gym and been seated, Mr. March introduced himself and continued with the show. He had his subject falling asleep, crying, laughing, running away from ants, go-go dancing and even stripping.

For his final act Mr. March suspended one of his subjects between two chairs and stood on her. After the show the students and staff all asked "was it really true?" Everyone in the show answered yes.

All of the dances at Ocean View provided either a good band or D.J. Some of the bands that played were Stop, Pegasus, Flagship, Foolish Pleasure and Buff. One of the D.J.'s was our teacher, Mr. Frym.

Some of the dances had contests for the best dancers and one had a queen of courts. There was always a good turn out and many hours of enjoyment.

# Seahawk Advisement Works

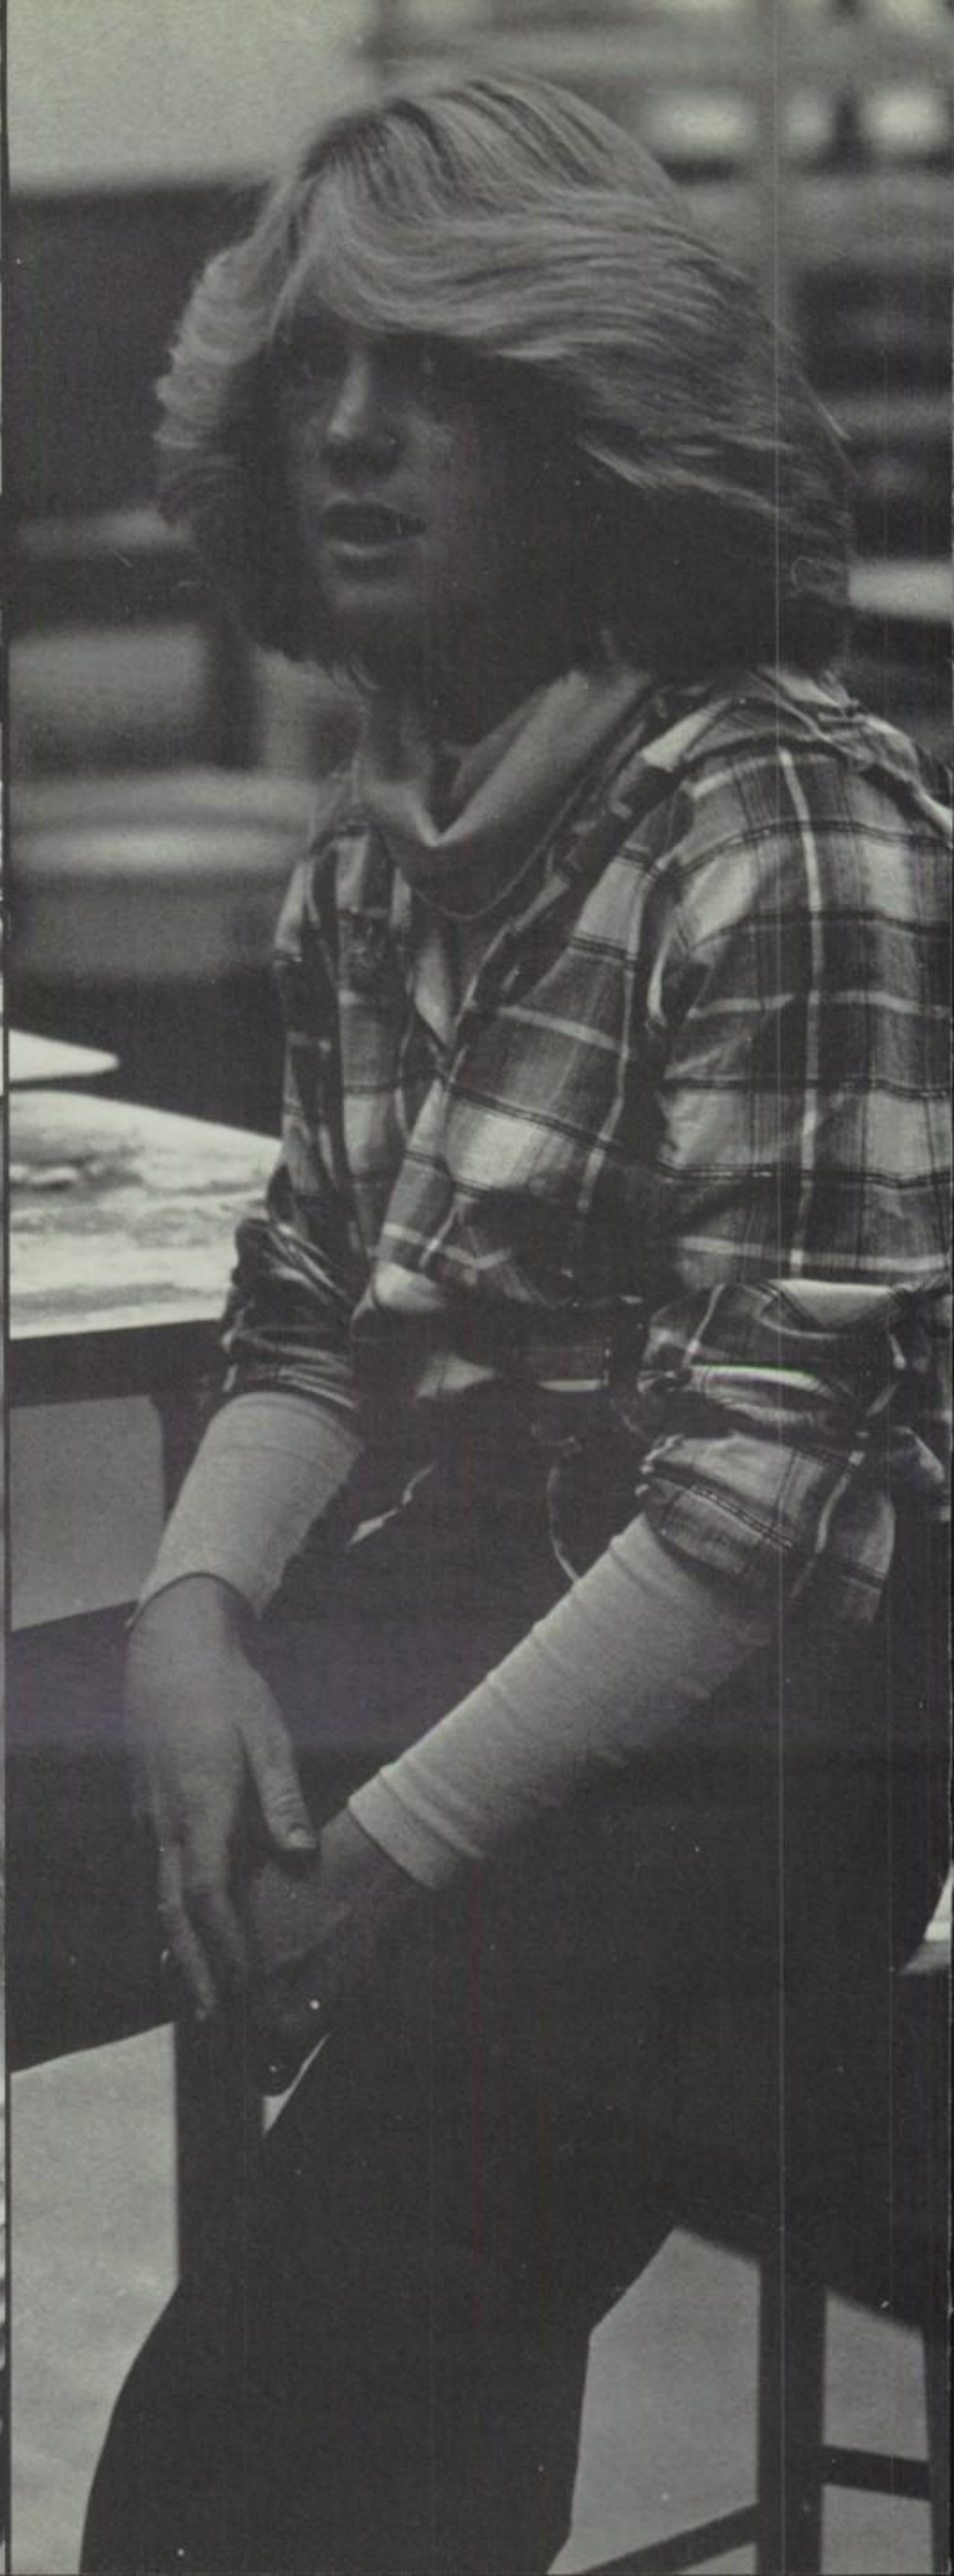

Advisement at Ocean View is much different than at most of the other High Schools. At Ocean View each teacher is an advisor. Each one has their own advisee group. It meets everyday and has the bulletin read. Each group has about 20-25 students and meets everyday for 15 minutes. In the 15 minutes the group goes over the bulletin for the day. When there is something important to go over, like grades and program changes or other important material the group meets for 45 minutes. If there is a problem the advisees go to the advisor to discuss and solve the matter.

The advisement program helps both the Student and the Advisor. The student can depend upon the advisor and become friends instead of more traditional student-teacher relationship. It helps the advisor and the student concentrate on their problems better when they have someone to talk to everyday.

The mighty Seahawk Sophomore team completed their season with a perfect 9 win 0 loss record, capturing the Garden Grove League championship on the way. The team was lead to victory by captains Ray Kotler, Dan Clearwater and Mike Scott. The leading scorer for O.V.H.S. split end Terry Bachmeier with 72 points on 12 touchdown passes from QB Ray Kotler. The leading ground gainer for the Seahawks was Eric Gentile with 499 yards in 74 carries. The kicking efforts of Rien Copeland "The Toe" and the punting of Steve Wyers "The Leg" gave the Seahawk Sophs. good field position and the extras that led to victory each week. The "tenacious" defense led by line backers Mike Scott and Dan Clearwater provided the consistency needed for victory as they continually put the opponent under a swarm of cardinal jersies. This group of young men, with all the hard work and perseverance needed to become number 1, would make one proud to be called a Seahawk. Seahawks Seahawks Yeah!

Garden Grove League Champions and 8 wins 1 loss for the season says it all for this team. The men started slowly, but by the middle of the season they were the class of the League as they outscored their opponents 223 to 59, and keeping two opponents scoreless.

Special recognition must be given to the passing game, especially leading scorer Rick Moser 66 points 11 touchdowns, 646 yards gained in 53 carries for a 12.2 yard average. Split end Bill Small gained 351 yards in 23 receptions for an average of 15.3 yards per catch and scoring 2 touchdowns, OB Lance Gilbert was the passer responsible for directing this exciting part of Seahawk Football. The running game was well represented by Tailback Doug Irvine who gained 549 yards in 110 carries for an average of 5.0, and scored 8 touchdowns for 48 points. Fullback Troy Baker gained 246 yards in 56 carries for an average of 4.4 yards and scored 2 touchdowns. The offensive line of T.E. John Brisbine and Brent Smith, Tackles Mike Turner, Mark Fleming, guards Robert Pierson and Richard Eagan and center Ray Fletcher were the key factor in providing running room and protection for the offense. The defense was highlighted by the attacking efforts of line backers Dan Silva and Don Halley, line play of Adam Alloway and defensive corner play of Neal Ng. The kicking of Jeff Sale was the highlight of the year for the Frosh as he averages 43.0 on kick off, kicked 21 points after touchdowns and one 23 yard field goal.

The 1977 water poloists were awesome! The powerful Sophomore team won the Buena Park and Cypress Tournaments and then captured the Garden Grove Jr. Varsity League Crown going undefeated (7-0). In addition, they beat three Varsity Squads, including Sunset League powerhouse Westminster 13-11. They finished the season 15-4, with all four losses to Varsity Squads, and outscored their opponents 237-148

The Freshmen Squad had a rough season due to the fact that they always played older more experienced Sophomore Squads. They finished the season, 5-12, but developed a lot of talent and should be the powerhouse next year when Oceanview goes into the Empire League. Outstanding Freshman included Scot Nady (16 goals), and Kevin Krause, Scot Elliot Tracy Fraute, and Art Rose (goalie) on defense.

# Industrial Education Explores Methods of Production and Application

The department of industrial education at Ocean View High School explores the principles and concepts of industrial procedures. Specifically, the methods of production, application of leisure time, application of mechanics, influence of automation and mass production, creation of new ideas and products, implications of consumer literacy and respect for quality workmanship.

Students actual involvement with the use of tools and materials reinforces the written and spoken word. These planned experiences with a variety of materials and with hand and power tools become a figurative telescope through which students gain insight into the application of these same principles in modern production methods.

# Social Studies Shows Students Two Programs

The Social Studies program at O.V.H.S. consists, this year, of two programs. All Freshmen are enrolled in Introduction to Social Studies which is designed to look at or trace the development of "man" from early origins to present day, focusing on the family, survival and developing as "civilized" complex cultures. Geography and regional studies are also important areas within this program.

American Studies this year is focusing on the impact of the frontier, the urban (city) experience or problems, the immigrant impact, industrialization and contemporary problems for the remaining areas of study.

# Comm/Arts — an Old Concept for a New School

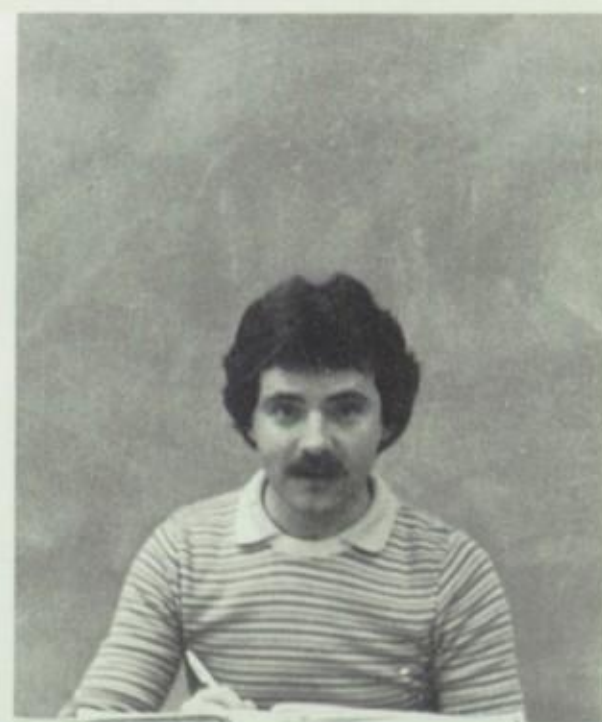

COMMUNICATIONS  
ARTS — an old concept  
for a new school. It was  
Socrates who first envi-  
sioned the importance of  
the communication arts.  
What good is all a person  
knows if he/she can't  
communicate and use  
that knowledge?

The focus of the Ocean View Communication Arts program is on the basic skills of reading, writing, speaking, listening and viewing. But as important as the pursuit of basic skills is the ability to use these skills in everyday life, and the development of good study habits and responsibility in acquiring these skills.

The Seahawks have demonstrated growth in both reading and writing skills. Our speech squad has earned numerous awards and trophies. The premiere issues of *The Breeze*, our school newspaper, rival those of four year high schools. This year our classrooms have taken on a more mature face: new furniture, new texts, and new staff. As the Ocean View family grows, the Communication of Arts staff continues to develop learning experiences to meet the individual needs of students in mastering basic competencies.

# Science Provides a Multifaceted Learning Environment

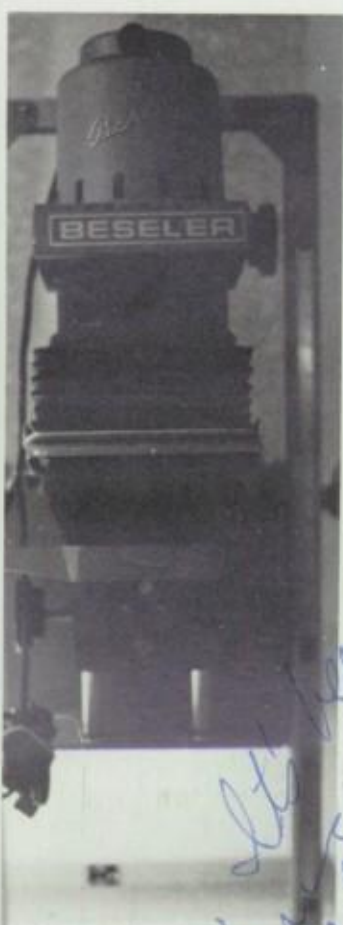

Personal growth requires constant maintenance and the efforts of a team . . .

# Travel and Adventure Are Rewards of an Experience in Foreign Language

Learning a foreign language can include many benefits. Our current offering of Spanish, French, and German can open many doors for our students. Travel, adventure, and an expanded personality are just a few of the rewards these tongues can provide students.

# Math Department Offers Students Both Grouped and Individualized Instruction

This year, Ocean View students were offered grouped and lecture-type instruction as well as small group and individual directed study. The achievement of minimum competencies was stressed again this year with over 1,000 students enrolled in the math program in September. Each course had individualized learning packets with alternative learning approaches to guide students through the objectives and facilitate student responsibility for his/her own learning.

# Regular Exercise Is the Goal of Physical Education

The Seahawk program relates to the needs of the individual and under the fine leadership of an excellent staff of instructors fulfills the daily need of a sound learning environment related to the energetic physical being of all at Ocean View. The concept of the program is: Regular exercise, taken wisely and for enjoyment seems to be important to maintaining a vigorous and long, happy, life.

Business Education is concerned with helping students prepare for the future. Students interested in further education as well as students who are receiving their diploma and entering directly into the job market can benefit from the classes in this department.

Business Education is concerned with helping students prepare for the future. Students interested in further education as well as students who are receiving their diploma and entering directly into the job market can benefit from the classes in this department.

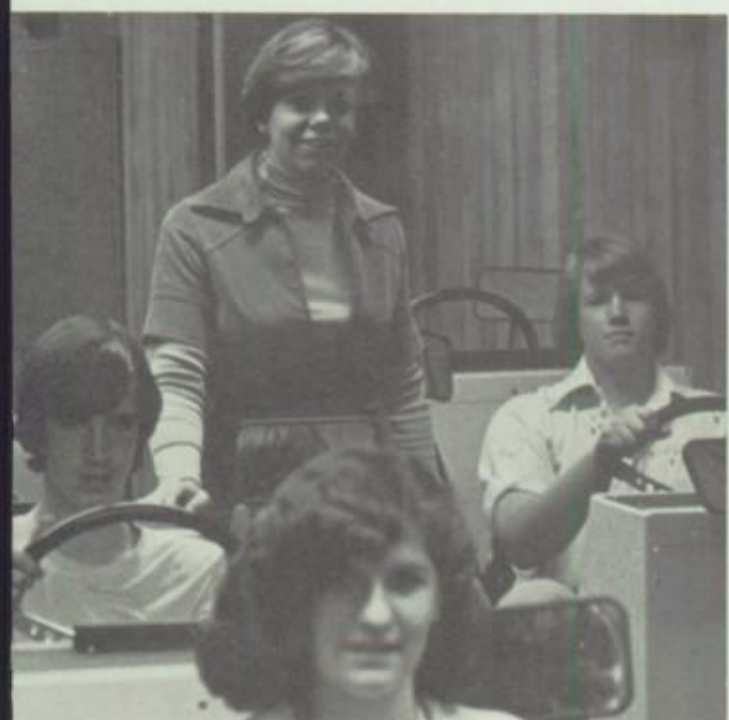

The main emphasis in home economics today is helping students to meet new situations in life — such as career preparation, changing family relationships, consumer involvement, and leisure time activities. There are always several courses in skills to choose from in home economics.

# Better Drivers Is the Goal of Traffic and Safety

Traffic and Safety Education is a one semester course in which students complete the requirements for getting their Driver's license. Student's participate in classroom work, simulator and behind the wheel instruction.

In order to fully become involved in campus life, attendance is as important as any other aspect of school activities. As students and staff both strive for a creative and constructive atmosphere, the Attendance Office strives for a friendly and positive attitude in promoting education.

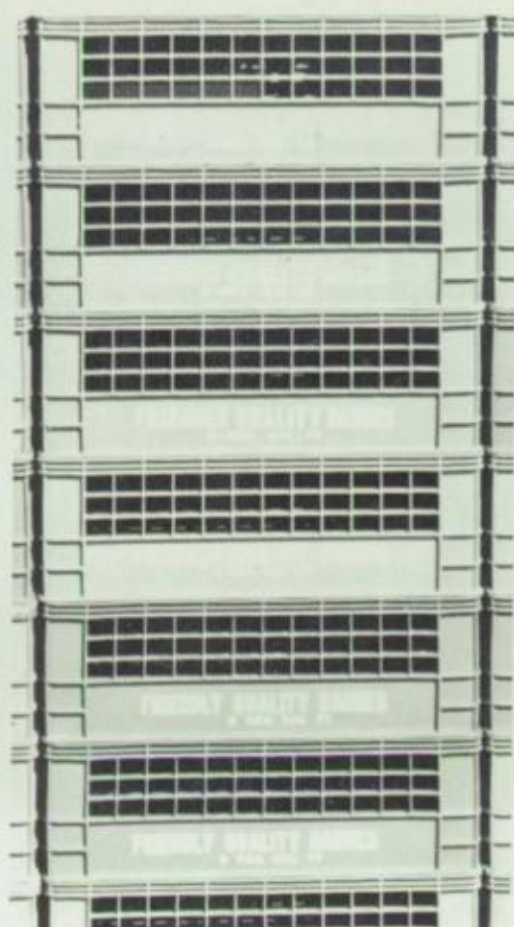

## Planning Center and Attendance Office Are Major Nerve Centers at Ocean View

The Planning Center is the "heart" of the school where all administrative decisions pertaining to O.V.H.S. are made. Typical matters which are handled through the Planning Center include: teacher staffing, student enrollment, grades, student records, school budget, personnel, advisement planning, student services and admissions and transfers.

Karen,  
 it's been nice having  
 you in my 3rd period  
 class 1st semester  
 and I think you are  
 very nice have a great  
 summer, and through-out  
 the years to come.

Sabrina

Karen,  
 It has been really nice being in  
 the same algebra class with you.  
 you are a really nice person.  
 Have a super summer and a  
 great next year!

Good luck!  
 Jennifer Prior  
 6/13/78

Karen,

I remember when I  
 first saw you in fourth  
 Period the first day of  
 School, you were the only  
 familiar face (from camping)  
 + I was glad! Since then  
 we have become good  
 friends. I just want  
 you to know that I  
 think you are a very  
 sweet person and one  
 of my best friends ever!  
 Even though we always  
 argue + everything it  
 always seems to turn  
 out for the best.

Strange!! oh well.

I hope you have a  
 Terrific summer + years  
 to come, when you  
 old + gray + are  
 still driving that  
 Maverick Please remember  
 Me. I'll see you  
 this summer + stay  
 away from those  
 Perverted guys at the  
 beach! oh + one more  
 thing. Don't listen to →

Chris Hony  
 I'm sorry I  
 haven't  
 written to  
 you for  
 so long  
 but I  
 hope you  
 are well  
 and happy  
 I'll see  
 you soon  
 Love  
 Chris

I'm glad we got to  
know each other better.  
You're a sweet person.  
Have a great summer and  
forever. See you next year.

Haven, I'm really  
 glad I got  
 the money you  
 better. I'm  
 glad you  
 stood with  
 Calla. Bro.  
 more

Alma almost  
cried at every  
step & kept  
and I kept  
you up and  
down in bed  
you found  
many hours  
boring

Ex. you Stephen  
love, Connie

I don't really like  
 but many of them  
 next year I will  
 have a good snow  
 about 2000

Loren,  
You've seen a good  
piano. I hope you  
go to a lot of concerts  
and a lot of parties  
and see a lot of  
girls. See you next year  
your friend  
Melanie

any one! If you dont want to smoke don't!  
I hope you get your job & your  
brother off your back this summer!!  
I'm just a wild & crazy guy! (girl!)

Best wishes  
for your  
future Karen  
we should  
get together  
more. We have  
fun this  
summer  
your friend  
always  
and so  
Linda

Love,  
your friend  
always,  
John  
Laurie Richard  
(Mr. Bill)  
The God of  
Tobacco!

Karen  
 your a real  
 great friend  
 I hope we stay  
 friends a long time  
 and next year have  
 some classes together. keep  
 in touch 847-28034

luv  
 your  
 friend Susan  
 Vinas

Karen,  
 Life has been a blast  
 since you were part  
 of it you're a sweet  
 kid and I will never  
 forget you. Rancho was great  
 when I met you. Now OHS  
 is a great school since  
 we're both here  
 I hope we stay friends
